First Aid to Save a Life

Child and Babysitting Safety Course

AMERICAN SAFETY & HEALTH INSTITUTE
APPROVED
TRAINING CENTER

Course Introduction:

A course for building a safe and successful babysitting business

Babysitting is usually a teenager's first attempt at building and running a small business. ASHI's Child and Babysitting Safety (CABS) course comes in a magazine-format guide designed to engage and inform the aspiring babysitters and as well as help corporations and businesses to train their care-giving staff at nursery. It gives teenagers everything they need to know, from getting started, to dealing with parents and children, to key safety, care giving, and first aid tips.

Course Highlights:

CABS helps teenagers, professional babysitters and businesses develop the skills and confidence to become great resource person and offer care to children and infants.

Personal Skills & Starting Business:

Everything a care-giver needs to know to get started.

Leadership:

Strategies to build confidence when responding to conflict.

Basic Caregiving Skills:

Feeding, burping, diapering, and safe sleep practices.

Safety and Injury Prevention:

Guidelines to make sure that everyone stays safe.

Play Time:

Tips on age-appropriate play and staying involved with them.

First Aid:

The proven skills and knowledge to go with the responsibility.
